Renal Round Table

Every 4th Tuesday, 2021

12:30 - 1:30 p.m.

Transplant Conference Room
Texas Health Harris Methodist Hospital Fort Worth
1325 Pennsylvania Avenue, Suite 450, Fort Worth, TX, 76104

Objectives: Upon completion of this activity, the participants should be able to:

- Provide multi-disciplinary input to the care of patients with kidney diseases
- Discuss and review the complex pathologic findings in various disease entities involving transplant and native kidneys
- Formulate management strategies based on the clinical and pathologic data
- Share experiences involving complex cases among peers
- Identify new, innovative methods and incorporate the latest scientific research into standards of care

Target Audience: Transplant physicians, nephrologists, pathologists and assigned staff

Format: Case presentations with interactive discussion

Program Chair: Tariq Khan, M.D.

Five to six kidney biopsy slides will be discussed at each meeting.

Please feel free to forward this meeting request to anyone who would like to attend this series.

Dr. Ihsan Housini will lead the discussion of the slides.

If you have a case you would like to discuss, please call Sarah Arbogast at (817) 250-2659 or Dr. Housini at (817) 250-5638 with the information **at least 1 week** in advance of the meeting to ensure slides are ready for presentation.
