Program Chair: Christopher Shank, M.D.

Objectives: Upon completion of this activity, the participants should be able to:

- Improve patient care through inter-professional collaboration
- Evaluate the care of the neurosurgical trauma patient from a clinical and systems perspective and to perform interprofessional implementation of improvement strategies
- Maintain a patient database through Outcomes Management for ongoing evaluation
- Design effective and evidence-based processes to meet the needs of our patients and improve quality of care
- Establish objective criteria for identifying issues for review and determine compliance with standard of care

Target Audience: Neurosurgeons, Trauma Surgeons, representatives, pharmacist, anesthesiologists, and Trauma program clinical staff

Format: Case review, research on best practices, discussion and Q&A

Accreditation:

In support of improving patient care, Texas Health Resources is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Designation of Credit

Physicians: The Texas Health Resources designates this live activity for a maximum of 1 *AMA PRA Category 1 Credit*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Doctors on the medical staffs practice independently and are not employees or agents of Texas Health hospitals or Texas Health Resources.
