## “Euestrogenemia or Keeping Estrogen Signaling Pathways Healthy”

**Ralph J. Turner, M.D.**

OB/GYN Physician | Wellness Pointe – Tyler, Texas

### Objectives:

- Review the new pathophysiological focus on estrogen signaling pathways on: hot flashes, perimenopausal central weight gain and duodenal gut microbiome.
  - Discuss the real world risk of estrogen therapy.
- Describe the physiological rationale for customized patient care with hormone therapy to age 65 and beyond.

*Doctors on the medical staff practice independently and are not employees or agents of the hospital except for resident doctors in the hospital's graduate medical education program. © 2022 Texas Health Resources.*

**Target Audience:** This activity is designed for OB/GYN physicians. We also invite nurses to attend.

**Program Director:** Eugene Hunt, M.D. – *chair*, Department of OB/GYN, Texas Health Presbyterian Hospital Dallas – Dallas, Texas

**Format:** Didactic lecture with a question-and-answer session

### Accreditation:

In support of improving patient care, Texas Health Resources is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

JOINTLY ACCREDITED PROVIDER™  
INTERPROFESSIONAL CONTINUING EDUCATION

### Designation of Credit:

**Physicians:** The Texas Health Resources designates this live activity for a maximum of 1 AMA PRA Category 1 Credit™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

**Nurses:** 1 contact hour will be provided for nursing.
