

Thursday, January 27, 2022
Noon – 1 p.m.

“The Neonatal Microbiome: Influence of Pre- and Post-natal Exposures that Affect Neonatal Health and Susceptibility to Necrotizing Enterocolitis”

Presenter:

Julie Mirpuri, M.D.

*Associate Professor, Department of Pediatrics, Division of Neonatal-Perinatal Medicine
UT Southwestern Medical Center, Dallas, Texas*

Location: This conference will be held virtually via MICROSOFT TEAMS

Click here to join on your computer or device [Join Microsoft Teams Meeting](#)

Call in by dialing [682-273-0674](#); Conference ID: 661 772 77#

Objectives: Upon completion of this activity, the participants should be able to:

- Discuss the prenatal influences that affect neonatal immunity and microbiome establishment
- Discuss post-natal influences that alter neonatal immunity and microbiome establishment
- Explore the roles of the perinatal multidisciplinary team in advocating for improved outcomes in preterm infants susceptible to necrotizing enterocolitis

Program Director: Christina Chan, M.D., *program director, department of pediatrics, UT Southwestern Medical Center; medical director, NICU, Texas Health Presbyterian Hospital Dallas – Dallas, Texas*

Target Audience: This interprofessional activity is designed for physicians, nurses and respiratory therapists in neonatology, pediatrics and obstetrics.

Format: Didactic lecture with question and answer session

Accreditation:

In support of improving patient care, Texas Health Resources is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

JOINTLY ACCREDITED PROVIDER™
INTERPROFESSIONAL CONTINUING EDUCATION

Designation of Credit:

Physicians: The Texas Health Resources designates this live activity for a maximum of 1 *AMA PRA Category 1 Credit*™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Nurses: 1 contact hour will be provided for nursing
