Program Chair: Suhail Sharif, M.D.

Objective: Upon completion of this activity, the participants should be able to:

- Identify patients at risk
- Describe the symptoms and treatment modalities for crush syndrome
- Discuss potential means to prevent crush syndrome
- Determine the positive impact a comprehensive multi-disciplinary team can have on outcome after crush injury

Target Audience: This interprofessional activity is designed for physicians and clinical staff caring for trauma patients

Format: Didactic presentation with interactive question and answer session

Accreditation: In support of improving patient care, Texas Health Resources is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Texas Health Resources is an approved CE provider for EMS Providers (DSHS Program Approval Number: 600827) through the Texas Department of State Health Services.

Designation of Credit:

Physicians: The Texas Health Resources designates this live activity for a maximum of 1 *AMA PRA Category 1 Credit*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Nurses: One (1.0) contact hour will be provided for nursing

EMS: 1.0 CE hours will be provided for EMS providers

Doctors on the medical staffs practice independently and are not employees or agents of Texas Health hospitals or Texas Health Resources.
