**Join from your phone** — Dial 682-273-0674 Conference ID: 182 810 192#

---

**Program Chair:** Mike Howell, M.D.

**Objective:** Upon completion of this activity, the participants should be able to:

- Identify risk factors for diabetic ketoacidosis
- Recognize pregnancy-specific physiology that impacts diabetes mellitus
- Describe clinical and laboratory findings associated with diabetic ketoacidosis
- Define critical aspects of maternal care including insulin and electrolyte management
- Explain the impact of diabetic ketoacidosis on the fetus including antenatal testing

**Target Audience:** This interprofessional activity is designed for physicians and clinical staff caring for perinatal patients

**Format:** Didactic presentation with interactive question and answer session

**Accreditation:** In support of improving patient care, Texas Health Resources is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

**Designation of Credit:**

**Physicians:** The Texas Health Resources designates this live activity for a maximum of 1 *AMA PRA Category 1 Credit*<sup>™</sup>. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

**Nurses:** One (1) contact hour will be provided for nursing

*Doctors on the medical staffs practice independently and are not employees or agents of Texas Health hospitals or Texas Health Resources.*
