Join from your phone — Dial 682-273-0674 Conference ID: 374 445 182#

Program Director: Amelia Tower, D.O., FACOS

Objectives: Upon completion of this activity, the participants should be able to:

- Discuss the preoperative evaluation for breast reconstruction
- Describe the most common surgical techniques of breast reconstruction
- Identify indications for immediate versus delayed breast reconstruction
- Discuss formulating treatment plans through interprofessional collaboration

Target Audience: This interprofessional activity is designed for physicians, nurses and allied health professionals involved in the screening, evaluation, diagnosis, treatment and survivorship of breast disease patients

Format: Didactic presentation with interactive question and answer session

Accreditation: In support of improving patient care, Texas Health Resources is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Designation of Credit:

Physicians: The Texas Health Resources designates this live activity for a maximum of 1 AMA PRA Category 1 CreditTM. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Nurses: One (1) contact hour will be provided for nursing

Doctors on the medical staff practice independently and are not employees or agents of the hospital or Texas Health Resources except resident doctors in the hospital's graduate medical education program.
