Noon – 1 p.m.

“How to Better Care for Patients Following a Loss”

Presenters:

Rebekah Mitchell

Founder/Director

*Mommies Enduring Neonatal Death (M.E.N.D.)
Irving, Texas*

Courtney Frette

Advisor

*Mommies Enduring Neonatal Death (M.E.N.D.)
Irving, Texas*

Location: This conference will be held virtually via **MICROSOFT TEAMS**

Join on your computer or mobile app: [Click here to join the meeting](#)
Or call in (audio only) **682-273-0674**; **Conference ID: 321 368 427#**

Objectives: Upon completion of this activity, the participants should be able to:

- Describe multidisciplinary team best practices for empathetically caring for patients who have lost a baby through miscarriage, stillbirth or early infant death
- Discuss how to make patients part of the decision making process and why that is important
- Discuss what TO say and NOT TO say to patients and why
- Examine patient’s lives once they are discharged from care following a loss

Target Audience: This interprofessional activity is designed for physicians, nurses, respiratory therapists and allied health professionals in neonatology, pediatrics and obstetrics.

Format: Didactic lecture with question and answer session

Accreditation:

In support of improving patient care, Texas Health Resources is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

JOINTLY ACCREDITED PROVIDER™
INTERPROFESSIONAL CONTINUING EDUCATION

Designation of Credit:
