Objectives: Upon completion of this activity, the participants should be able to:

- Examine the signs and symptoms of Large Vessel Occlusion (LVO).
- Identify patient qualifications for endovascular stroke intervention by mechanical thrombectomy.
- Discuss the team approach to providing optimal care for patients experiencing stroke intervention.
- Analyze challenging stroke intervention cases.

Target Audience: This interprofessional activity is designed for physicians, nurses, and radiologic technologists involved in the care of neurology patients

Format: Didactic lecture with question and answer session

Accreditation:

In support of improving patient care, Texas Health Resources is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC) to provide continuing education for the healthcare team.

JOINTLY ACCREDITED PROVIDER™
INTERPROFESSIONAL CONTINUING EDUCATION

Designation of Credit:

Physicians: The Texas Health Resources designates this live activity for a maximum of 1 *AMA PRA Category 1 Credit*™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Nurses: 1 contact hour will be provided for nursing

Radiologic Technologists: This activity has been submitted for approval for 1.0 category A CE credits by the American Society of Radiologic Technologists.

Additional Information: For more information, please contact THRJA@texashealth.org or visit ce.texashealth.org

Doctors on the medical staff practice independently and are not employees or agents of the hospital or Texas Health Resources except resident doctors in the hospital's graduate medical education program.
