July 6, 2022
“Mechanical Power - A Key Paradigm for Mechanical Ventilation”
John Joerns, M.D.

*Assistant Professor of Internal Medicine, Division of Pulmonary and Critical Care Medicine
UT Southwestern Medical Center – Dallas, Texas*

Objectives:

- Discuss the incompleteness of ARDS NET as a mechanical ventilation paradigm.
- Discuss and develop a familiarity with the equation of motion and the concept of mechanical power.
 - Identify the differing contributions of ventilation parameters to mechanical power.
 - Review the bedside calculation of mechanical power and some practical implications.

July 13, 2022
“Robotic Assisted Bronchoscopy for the Diagnosis of Lung Nodules”
Kim Styrvoky, M.D.

*Assistant Professor of Internal Medicine, Division of Pulmonary and Critical Care Medicine
UT Southwestern Medical Center – Dallas, Texas*

Objectives:

- Discuss the clinical importance of lung nodules and describe the initial evaluation of patients with lung nodules suspicious for malignancy including obtaining clinical history, prior imaging and assessing malignancy risk.
- Describe the utility of different advanced diagnostic bronchoscopy techniques combined with adjunct advanced imaging modalities in sampling lung nodules.
- Identify patients that may benefit from undergoing robotic assisted bronchoscopy to sample lung nodules.

July 20, 2022
“Lung Transplantation: An Overview”
Adrian C. Lawrence, M.D., MACM

*Assistant Professor, Pulmonary & Critical Care Medicine, Department of Medicine
UT Southwestern Medical Center – Dallas, Texas*

Objectives:

- Review the indications and contraindications for lung transplantation.
- Identify common diagnoses that lead to lung transplant in the adult population.
Describe the survival outcomes following lung transplant.

July 27, 2022

The Gary Weinstein, M.D. Lectureship in Critical Care

“Sepsis Diagnosis: What We’re Getting Wrong, What We’re Getting Right”
Steven Q. Simpson, M.D.

*Immediate Past-President, American College of Chest Physicians
Professor of Medicine, Division of Pulmonary, Critical Care, and Sleep Medicine
University of Kansas – Lawrence, Kansas*

Objectives:

- Differentiate the strengths and weaknesses of the current approach to sepsis diagnosis.
 - Discuss the continuum of infection and sepsis.
- Describe emerging approaches to a definitive diagnosis of sepsis.

Doctors on the medical staff practice independently and are not employees or agents of the hospitals or Texas Health Resources except resident doctors in the hospital's graduate medical education program.

Target Audience: Internal medicine physicians, residents, physician assistants, nurse practitioners, nurses, and allied health professionals

Department Chair: David Gonzales, M.D. – *chairman*, Department of Internal Medicine
Texas Health Presbyterian Hospital Dallas – Dallas, Texas

Program Director: Brad Raper, M.D. – *pulmonologist*, Southwest Pulmonology Associates,
Texas Health Presbyterian Hospital Dallas – Dallas, Texas

Format: Didactic lecture with question-and-answer session

Accreditation:

In support of improving patient care, Texas Health Resources is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Texas Health Resources has been authorized by the American Academy of PAs (AAPA) to award AAPA Category 1 CME credit for activities planned in accordance with AAPA CME Criteria

Designation of Credit:

Physicians: The Texas Health Resources designates this live activity for a maximum of 1 *AMA PRA Category 1 Credit*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Nurses: 1 contact hour will be provided for nursing.

Physicians Assistants: This activity is designated for 1 AAPA Category 1 CME credit. PAs should only claim credit commensurate with the extent of their participation.

JOINTLY ACCREDITED PROVIDER[™]
INTERPROFESSIONAL CONTINUING EDUCATION
