Time: 5 p.m. – 6 p.m.

Location: Texas Health Presbyterian Hospital Dallas, Perot Building, LL Classroom and available virtually via MS TEAMS

Objectives: Upon completion of this activity, the participants should be able to:

- Accurately assess fetal monitoring tracings using NICHD terminology
- Identify risk factors associated with fetal academia
- Describe nursing and medical interventions to promote fetal well-being
- Describe effective communication among health care providers regarding fetal monitoring

Program Director: Brian Rinehart, M.D., *maternal and fetal medicine physician*, Texas Health Presbyterian Hospital Dallas – Dallas, Texas

Target Audience: This interprofessional activity is designed for physicians and nurses involved in obstetric health.

Nurses must attend at least 2 reviews each year

Format: Review electronic fetal monitoring strips with question and answer session

Accreditation:

In support of improving patient care, Texas Health Resources is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

JOINTLY ACCREDITED PROVIDER™
INTERPROFESSIONAL CONTINUING EDUCATION

Designation of Credit:

Physicians: The Texas Health Resources designates this live activity for a maximum of 1 *AMA PRA Category 1 Credit™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Nurses: 1 contact hour will be provided for nursing.

Ethics: This course has been designated by Texas Health Resources for 1 credit of education in medical ethics and/or professional responsibility for the November 10th case presentation.

Additional Information: For more information, go to <https://ce.texashealth.org> or email THRJA@TexasHealth.org

Doctors on the medical staff practice independently and are not employees or agents of the hospital or Texas Health Resources except resident doctors in the hospital's graduate medical education program.
