**Join from your phone — Dial 682-273-0674**      **Conference ID: 914 869 227#**

---

**Program Director:** Amelia Tower, D.O., FACOS

**Objectives:** Upon completion of this activity, the participants should be able to:

- Review updates to NCCN guidelines for hereditary cancer genetic counseling and testing
- Identify patients that would benefit from genetic counseling services
- Improve patient care through increased awareness of and access to genetic testing

**Target Audience:** This interprofessional activity is designed for physicians and nurses involved in the screening, evaluation, diagnosis, treatment and survivorship of breast disease patients. We also invite allied health professionals to attend.

**Format:** Didactic presentation with interactive question and answer session

**Accreditation:** In support of improving patient care, Texas Health Resources is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

**Designation of Credit:**

**Physicians:** The Texas Health Resources designates this live activity for a maximum of 1 *AMA PRA Category 1 Credit*<sup>™</sup>. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

**Nurses:** One (1) contact hour will be provided for nursing

*Doctors on the medical staff practice independently and are not employees or agents of the hospital or Texas Health Resources except resident doctors in the hospital's graduate medical education program.*
