Objectives: Upon completion of this activity, the participants should be able to:

- Describe the pathophysiology of neonatal disease process or congenital anomaly
- Explain how the neonatal disease process or congenital anomaly affects developmental outcomes in newborns
- Describe and identify the risk factors of the disease process or congenital anomaly with emphasis on those that can be modified in the neonatal intensive care unit
- Identify the vital role each interprofessional team member plays in quickly recognizing the needs of the neonate in intensive care.

Program Director: Christina Chan, M.D.– *program director, Department of Pediatrics, UT Southwestern Medical Center | medical director, NICU, Texas Health Presbyterian Hospital Dallas – Dallas, Texas*

Target Audience: This interprofessional activity is designed for various physicians, nurses and respiratory therapists in neonatology, pediatrics and obstetrics.

Format: Didactic lecture with question-and-answer session

Accreditation:

In support of improving patient care, Texas Health Resources is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

JOINTLY ACCREDITED PROVIDER™
INTERPROFESSIONAL CONTINUING EDUCATION

Designation of Credit:

Physicians: The Texas Health Resources designates this live activity for a maximum of 1 *AMA PRA Category 1 Credit*™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Nurses: 1 contact hour will be provided for nursing.

Doctors on the medical staff practice independently and are not employees or agents of the hospital or Texas Health Resources except resident doctors in the hospital's graduate medical education program.

Additional Information: For more information, please email THRJA@TexasHealth.org or access to other CE activities visit our website <https://ce.texashealth.org>.
