Program Chair: Amelia Tower, D.O., FACOS

Objectives: Upon completion of this activity, the participants should be able to:

- Recognize the ergonomics of operating while pregnant for female surgeons
- Review the financial implications of the timing of pregnancy during training and beyond (and effects on practice specific disability insurance rates)
- Review FMLA protections and limitations
- Discuss practice models and pros and cons for work life integration
- Explain financing options for fertility treatments/IVF in the setting of acquired student loans/debt

Target Audience: This activity is designed for surgeons, physicians and general surgery residents. We also invite physician assistants, nurse practitioners and nurses to attend.

Accreditation: In support of improving patient care, Texas Health Resources is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.
