Hematology/Medical Oncology
Texas Oncology-Presbyterian Cancer Center Dallas
Dallas, Texas

Topic & Objectives

“Recent Advances in the Management of Early-Stage Breast Cancer”

- Discuss the role of immunotherapy in the management of early-stage high risk triple negative breast cancer.
- Identify adjuvant PARP inhibitors in patients with early-stage breast cancer and a germline mutation BRCA 1/2.
 - Discuss how the care team can add CDK 4/6 inhibitors in the management of high-risk early stage ER positive HER 2 negative breast cancer.

Program Director: Archana Ganaraj, M.D., breast surgeon, Breast Cancer Alliance of North Texas, Texas Health Presbyterian Hospital Dallas – Dallas, Texas

Target Audience: This interprofessional activity is designed for physicians and nurses caring for breast cancer patients. We also invite allied health professionals to attend.

Format: Didactic lecture with question-and-answer session

Accreditation:

In support of improving patient care, Texas Health Resources is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Designation of Credit:

Physicians: The Texas Health Resources designates this live activity for a maximum of 1 AMA PRA Category 1 Credit™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Nurses: 1 contact hour will be provided for nursing.

Radiologic Technologists: ASRT credit pending approval.

JOINTLY ACCREDITED PROVIDER™
INTERPROFESSIONAL CONTINUING EDUCATION

Nursing & ASRT
Credit Available
