Program Chair: Cory A. Collinge, M.D. – Orthopedic Surgeon, Texas Health Harris Methodist Hospital Fort Worth, Fort Worth, Texas

Objectives: Upon completion of this activity, the participants should be able to:

- List common injuries associated with compartment syndrome
- Discuss warning signs/symptoms of compartment syndrome
- Reflect on the interdisciplinary team role in identification and communication of potential compartment syndrome

Target Audience: This interprofessional activity is designed for orthopedic surgeons and nurses. We also invite physician assistants, administration and allied health professionals who care for orthopedic fracture patients to attend.

Accreditation: In support of improving patient care, Texas Health Resources is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

JOINTLY ACCREDITED PROVIDER™
INTERPROFESSIONAL CONTINUING EDUCATION

Designation of Credit:

Physicians: The Texas Health Resources designates this live activity for a maximum of 1 *AMA PRA Category 1 Credit*™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Nurses: One (1) contact hour will be provided

Format: Didactic presentation with Q&A session
