Join from your phone — Dial 682-273-0674 Conference ID: 308 760 385#

Program Chair: Suhail Sharif, M.D.

Objective: Upon completion of this activity, the participants should be able to:

- Discuss risk factors for failure to rescue and unplanned ICU admissions in the injured patient
- Identify ten major early warning signs suggesting clinical decline in the injured patient
- Describe essential strategies for the multidisciplinary healthcare team to use in practice to prevent failure to rescue of the injured patient

Target Audience: This interprofessional activity is designed for physicians and nurses caring for trauma patients. We also invite clinical staff and allied health professionals to attend the conference.

Format: Didactic presentation with interactive question and answer session

Accreditation: In support of improving patient care, Texas Health Resources is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

JOINTLY ACCREDITED PROVIDER™
INTERPROFESSIONAL CONTINUING EDUCATION

Texas Health Resources is an approved CE provider for EMS Providers (DSHS Program Approval Number: 600827) through the Texas Department of State Health Services.

Designation of Credit:

Physicians: The Texas Health Resources designates this live activity for a maximum of 1 *AMA PRA Category 1 Credit*™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Nurses: One (1.0) contact hour will be provided for nursing

EMS: 1.0 CE hours will be provided for EMS providers
