Stephen R. Chorney, M.D., MPH

Assistant Professor, Otolaryngology - Head and Neck Surgery
Director, Children's Health Airway Management Program
UT Southwestern Medical Center – Dallas, Texas

**“An Otolaryngology Approach
To Neonatal Dysphagia and Aspiration”**

Objectives:

- Discuss the importance of a multidisciplinary approach to diagnosing and managing swallowing difficulties in neonates.
- Recognize some of the common anatomical contributions to dysphagia and aspiration in the neonatal population.
- Identify the role of pediatric otolaryngology in the surgical management of neonatal dysphagia.

Target Audience: This interprofessional activity is designed for physicians and nurses in neonatology, pediatrics and obstetrics. We also invite respiratory therapists to attend.

Format: Didactic lecture with question-and-answer session

Accreditation:

In support of improving patient care, Texas Health Resources is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Designation of Credit:

Physicians: The Texas Health Resources designates this live activity for a maximum of 1 *AMA PRA Category Credit™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Nurses: 1 contact hour will be provided for nursing.

Additional Information: For more information, please email THRJA@TexasHealth.org or access to other CE activities visit our website <https://ce.texashealth.org>.
