Namrata Peswani, M.D.
Assistant Professor, Internal Medicine
UT Southwestern Medical Center – Dallas, Texas

“Immune Therapy and Breast Cancer”

- Describe the role of immune therapy in breast cancer.
- Recognize immune mediated side effects in cancer patients on immune therapy.
- Review the multidisciplinary management of immune mediated side effects in cancer patients on immune therapy.

Target Audience: This interprofessional activity is designed for physicians and nurses caring for breast cancer patients. We also invite allied health professionals to attend.

Format: Didactic lecture with question-and-answer session

Accreditation:

In support of improving patient care, Texas Health Resources is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Texas Health Resources is a Texas CCAP Accredited Provider by the Texas Physical Therapy Association, APS#: 2611066TX

Designation of Credit:

Physicians: The Texas Health Resources designates this live activity for a maximum of 1 *AMA PRA Category 1 Credit*TM. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Nurses: 1 contact hour will be provided for nursing.

Radiologic Technologists: This activity has been approved for 1 category A CE credit by the American Society of Radiologic Technologists.

Physical Therapists: 1 CCU will be provided for PTs/PTAs.

JOINTLY ACCREDITED PROVIDERTM
INTERPROFESSIONAL CONTINUING EDUCATION
