**“Multidisciplinary Approach to Implement and Sustain Family-Centered Care in the NICU”**

**Objectives:**

- Discuss the importance of including family in their infant’s care.
- Describe how to implement Family-Centered Care (FCC) principles in your local NICU by collaborating with multidisciplinary staff.
  - Discuss how to change the unit culture around family inclusion.
- Review how to collaborate with other centers on improving FCC practices.

**Target Audience:** This interprofessional activity is designed for physicians and nurses in neonatology, pediatrics and obstetrics. We also invite respiratory therapists to attend.

**Format:** Didactic lecture with question-and-answer session

**Accreditation:**

In support of improving patient care, Texas Health Resources is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.
