Abhishek Makkar, M.D., MBBS, FAAP

Associate Professor of Pediatrics, Neonatal-Perinatal Medicine,
Department of Pediatrics | Division of Neonatology
UT Southwestern Medical Center – Dallas, Texas

“High-Tech Healing: The Role of ECMO in Neonatal Care”

- Describe the historical development and current trends in the use of ECMO for neonates.
- List the key physiological and clinical criteria used to determine the eligibility of neonates for ECMO support.
- Discuss the benefits and limitations of each ECMO mode in the context of neonatal treatment.
- Describe the impact of ECMO on neonatal physiology, including potential complications.

Target Audience: This interprofessional activity is designed for physicians and nurses in neonatology, pediatrics and obstetrics. We also invite respiratory therapists to attend and other allied health professionals.

Format: Didactic lecture with question-and-answer session

Accreditation:

In support of improving patient care, Texas Health Resources is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

JOINTLY ACCREDITED PROVIDER™
INTERPROFESSIONAL CONTINUING EDUCATION

Designation of Credit:

Physicians: The Texas Health Resources designates this live activity for a maximum of 1 *AMA PRA Category 1 Credit*™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Nurses: 1 contact hour will be provided for nursing.
