Manjula Mudduluru, M.D.

Assistant Professor, Division of Neonatal-Perinatal Medicine
UT Southwestern Medical Center – Dallas, Texas

“Point-of-Care Ultrasound in the NICU: Shifting Paradigms in Clinical Diagnosis and Care”

- Improve diagnostic accuracy for neonatal conditions through collaborative ultrasound assessments among the healthcare team.
- Provide real-time evaluations of critical conditions and treatment responses, emphasizing the role of interprofessional communication in patient management.
- Safely assist in procedures like line placements and drainage, while clarifying the roles and responsibilities of each team member during these interventions.
- Develop bedside ultrasound skills and knowledge among NICU staff, promoting understanding of the scopes of practice of different disciplines in providing quality patient care.

Target Audience: This interprofessional activity is designed for physicians and nurses in neonatology, pediatrics and obstetrics. We also invite respiratory therapists to attend and other allied health professionals.

Format: Didactic lecture with question-and-answer session

Accreditation:

In support of improving patient care, Texas Health Resources is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Designation of Credit:

Physicians: The Texas Health Resources designates this live activity for a maximum of 1 *AMA PRA Category 1 Credit*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Nurses: 1 contact hour will be provided for nursing.

JOINTLY ACCREDITED PROVIDER[™]
INTERPROFESSIONAL CONTINUING EDUCATION
