**Objectives:** Upon completion of this activity, the participants should be able to:

- Review gaps in the delivery of care for patients with chronic kidney disease (CKD)
- Discuss the potential of embedded pragmatic clinical trials to evaluate effectiveness of interventions in large health systems
- Address key clinical questions in CKD Care
- Identify healthcare applications of Artificial Intelligence

**Target Audience:** This activity is designed for THR physicians. We also invite advanced practice providers to attend.

**Format:** Didactic Lecture with Panel/Q&A

**Accreditation:** In support of improving patient care, Texas Health Resources is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

JOINTLY ACCREDITED PROVIDER™  
INTERPROFESSIONAL CONTINUING EDUCATION

**Designation of Credit:**

**Physicians:** The Texas Health Resources designates this live activity for a maximum of 1 *AMA PRA Category 1 Credit*™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
