Objectives: Upon completion of this activity, the participants should be able to:
- Discuss the background, risk factors, etiology, and pathogenesis of CMV infection in SOT recipients.
- Describe the clinical presentation, diagnostic strategies, and risk stratification of CMV infection in the SOT population.
- Summarize current guideline-recommended approaches for CMV prophylaxis and treatment in SOT recipients.
- Evaluate the clinical role and supporting evidence for novel and adjunctive therapies in the management of CMV in SOT recipients.

Target Audience: This activity is designed for pharmacists. We also invite physicians, nurses, physician assistants and other members of the healthcare team.

Accreditation: In support of improving patient care, Texas Health Resources is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Designation of Credit:
Pharmacists: Texas Health Resources designates this knowledge-based activity for 1 ACPE credit.

Physicians: The Texas Health Resources designates this live activity for a maximum of 1 *AMA PRA Category 1 Credit*[TM]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Nurses: 1 contact hour will be provided.

Format: Didactic presentation with Q&A session
