Regional Anesthesiologist | Anesthesia Partners of Dallas
Dallas, Texas

“Nerve Blockade for Abdominal Surgery: Where Have We Been & Where is it Going”

Objectives:

- Discuss the anatomy of the abdominal wall and the physiology of pain from abdominal surgery.
- Review the history of nerve blockade for abdominal surgery and how efficacy has improved.
- Discuss newer anesthetic nerve block techniques and when they are effective.

Target Audience: This activity is designed for OB/GYN physicians. We also invite physician assistants, nurse practitioners, nurses, and allied health professionals.

Format: Didactic lecture with a question-and-answer session

Accreditation:

In support of improving patient care, Texas Health Resources is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Designation of Credit:

Physicians: The Texas Health Resources designates this live activity for a maximum of 1 *AMA PRA Category 1 Credit*™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Nurses: 1 contact hour will be provided for nursing.

JOINTLY ACCREDITED PROVIDER™
