Join from your phone — Dial 682-273-0674 Conference ID: 937 400 975#

Objectives: Upon completion of this activity, the participants should be able to:

- Describe the unmet need for developing novel treatments for cocaine and methamphetamine use disorder
- Identify the potential utility of interventional psychiatry tools such as TMS and ketamine for the treatment of methamphetamine use disorder
- Discuss emerging pharmacological options as potential treatments for cocaine and methamphetamine use disorder
- Underscore the collaboration of different healthcare professionals in research

Target Audience: This interprofessional activity is designed for psychiatrists, nurses and social workers. We also invite psychologists, occupational therapists, physical therapists, recreational therapists, mental health technicians, EMS, clergy and administrators to attend.

Format: Didactic presentation with Q&A session

Accreditation: In support of improving patient care, Texas Health Resources is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

This program complies with the continuing education statutes and rules of the Texas Behavioral Health Executive Council.

Texas Health Resources is a Texas CCAP Accredited Provider by the Texas Physical Therapy Association, APS#: 2611066TX.

Designation of Credit:

Physicians: The Texas Health Resources designates this live activity for a maximum of 1 *AMA PRA Category 1 Credit™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Nurses: 1 contact hour will be provided for nursing

Social Workers and Licensed Professional Counselors: 1 clock hour will be provided for social workers and licensed professional counselors

Physical Therapy: 1 CCU will be provided for PTs/PTAs
