Professor, Cardiology Division, Internal Medicine | UT Southwestern Medical Center
Dallas, Texas

“Autonomic Circulatory Control in Pregnancy”

Objectives:

- neural control of blood pressure in normal pregnancy and hypertensive disorders of pregnancy.
- Explore possible approaches to prevent or reduce the risk of cardiovascular complications during pregnancy.

Target Audience: This activity is designed for OB/GYN physicians. We also invite physician assistants, nurse practitioners, nurses, and allied health professionals.

Format: Didactic lecture with a question-and-answer session

Accreditation:

In support of improving patient care, Texas Health Resources is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

JOINTLY ACCREDITED PROVIDER™
INTERPROFESSIONAL CONTINUING EDUCATION

Designation of Credit:

Physicians: The Texas Health Resources designates this live activity for a maximum of 1 *AMA PRA Category 1 Credit*™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Nurses: 1 contact hour will be provided for nursing.
