

Hospital Grand Rounds

“Managing Advanced Cardiac Care: Drips to Devices”

Wednesday, November 19, 2025, 7:30 p.m. to 8:30 p.m.

Presenter:

Sridevi Reddy Pitta, M.D.

Interventional Cardiologist
Texas Health Heart and Vascular Specialists
Denton, Texas

Location: Join virtually on Microsoft Teams – [Click here](#) or scan QR code to the right

Objectives: Upon completion of this activity, the participants should be able to:

- Describe the pharmacologic principles and nursing considerations for managing vasoactive and antiarrhythmic drips commonly used in advanced cardiac care.
- Discuss strategies for monitoring and troubleshooting mechanical circulatory support devices.
- Identify early signs of clinical deterioration in patients receiving advanced cardiac therapies and apply appropriate escalation protocols within the cardiac care team.
- Integrate evidence-based practice standards into the nursing care of patients receiving drips and devices for acute myocardial infarction and cardiogenic shock.

Target Audience: This activity is designed for nurses. We also invite physical therapists and all others to attend.

Accreditation: In support of improving patient care, Texas Health Resources is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Texas Health Resources is a Texas CCAP Accredited Provider by the Texas Physical Therapy Association, APS#: 2611066TX.

Designation of Credit:

Nurses: 1 contact hour will be provided.

Physical Therapists/Physical Therapy Assistants: 1 CCU will be provided.

Format: Didactic presentation with Q&A session
