Objectives: Upon completion of this activity, the participants should be able to:

- Explain the mechanisms of injury associated with blunt abdominal trauma (BAT)
- Identify clinical signs and prioritize assessment strategies for patients with BAT
- Discuss diagnostic approaches and management options for BAT
- Describe potential complications that may occur in patients with BAT

Target Audience: This interprofessional activity is designed for physicians and nurses. We also invite all others to attend.

Format: Didactic presentation with Q&A session

Accreditation:

In support of improving patient care, Texas Health Resources is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Texas Health Resources is an approved CE provider for EMS Providers (DSHS Program Approval Number: 600827) through the Texas Department of State Health Services.

Texas Health Resources is a Texas CCAP Accredited Provider by the Texas Physical Therapy Association, APS#: 2611066TX.
