Join from your phone — Dial 682-273-0674 Conference ID: 853 880 115#

Objectives: Upon completion of this activity, the participants should be able to:

- Discuss the key factors contributing to suicide risk in adolescents
- Review large-scale research studies on adolescents admitted to acute care services following suicide-related emergencies
- Identify current pharmacological and non-pharmacological treatment options following periods of acute risk
- Recognize the roles of team members in managing acute suicide risk and coordinating care for high-risk youth

Target Audience: This interprofessional activity is designed for psychiatrists, nurses and social workers. We also invite psychologists, occupational therapists, physical therapists, recreational therapists, mental health technicians, EMS, clergy and administrators to attend.

Format: Didactic presentation with Q&A session

Accreditation: In support of improving patient care, Texas Health Resources is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

JOINTLY ACCREDITED PROVIDER™
INTERPROFESSIONAL CONTINUING EDUCATION
