****ATTENTION:** Lunch provided to physicians (ONLY), RSVP REQUIRED.
To RSVP, please email angela.mccall@usoncology.com

Objectives: Upon completion of this activity, the participants should be able to:

- Collaborate with the team to select and deliver appropriate, evidence-based care for breast cancer patients.
- Outline key components of a comprehensive pre-treatment evaluation, including imaging, pathology and risk assessment.
- Describe staging criteria for breast cancer using current guidelines and diagnostic tools.
- Develop individualized treatment plans that integrate surgical, medical and radiation oncology perspectives.
- Identify appropriate follow-up strategies to support survivorship, monitor recurrence and manage long-term effects.
- Evaluate and incorporate available clinical trials into treatment planning to expand patient access to innovative therapies.

****To submit cases, please contact angela.mccall@usoncology.com****

Target Audience: This interprofessional activity is designed for physicians and nurses involved in the care of breast cancer patients.

Format: Case presentations with interactive discussion

Accreditation: In support of improving patient care, Texas Health Resources is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Designation of Credit:

Physicians: The Texas Health Resources designates this live activity for a maximum of 1 *AMA PRA Category 1 Credit™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Nurses: 1 contact hour provided for nursing
