“Pain Management for In-Office Gynecologic Procedures”

Objectives:

- Review evidence-based pain management strategies for in-office gynecologic procedures.
- Address common misconceptions regarding pain management that may contribute to underutilization in appropriate patient populations.
- Integrate effective pain management for in-office procedures into routine clinical practice.

Target Audience: This activity is designed for OB/GYN physicians. We also invite nurses to attend.

Format: Didactic lecture with a question-and-answer session

Accreditation:

In support of improving patient care, Texas Health Resources is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.
