Objectives: Upon completion of this activity, the participants should be able to:

- Explain what retinopathy of prematurity (ROP) is and how it is currently defined and classified
- Summarize current evidence-based ROP screening guidelines
- Evaluate contemporary and emerging ROP treating methods
- Apply an interprofessional approach to discuss current and future ROP treatment strategies

Target Audience: This interprofessional activity is designed for physicians and nurses. We also invite allied health professionals to attend.

Format: Didactic lecture with question and answer session

Accreditation:

In support of improving patient care, Texas Health Resources is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

JOINTLY ACCREDITED PROVIDER™
INTERPROFESSIONAL CONTINUING EDUCATION

Designation of Credit:

Physicians: The Texas Health Resources designates this live activity for a maximum of 1 *AMA PRA Category 1 Credit*™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Nurses: 1 contact hour will be provided for nursing
