Join virtually on Microsoft Teams – [Click here](#) or scan QR code to the right

Objectives: Upon completion of this activity, the participants should be able to:

- Define osteoporosis and explain its underlying pathophysiology, risk factors, and impact on bone strength.
- Describe the characteristics of fragility fractures, including common fracture sites, mechanisms of injury, and associated morbidity.
- Explain the roles and contributions of the inpatient interprofessional in the hospital management of patients with osteoporosis related fractures.
- Discuss the structure and function of a bone health clinic.

Target Audience: This interprofessional activity is designed for physicians and nurses. We also invite physical therapists and all members of the orthopedic healthcare team.

Accreditation:

In support of improving patient care, Texas Health Resources is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Texas Health Resources is a Texas CCAP Accredited Provider by the Texas Physical Therapy Association, APS#: 611066TX.

Designation of Credit:

Physicians: The Texas Health Resources designates this live activity for a maximum of 1 *AMA PRA Category 1 Credit™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Nurses: Texas Health Resources designates this activity for 1 contact hour.

Physical Therapists/Physician Therapist Assistants: Texas Health Resources designates this activity for 1 CCU.

Format: Didactic presentation with Q&A session
