In Person: Haggar Hall

**\*Lunch provided in-person\***

---

**Objectives:** Upon completion of this activity, the participants should be able to:

- Define the role of the traumatologist in trauma resuscitation
- Demonstrate effective communication during EMS–ED handoff using the MIST format to support shared situational awareness and coordinated decision making
- Apply a circulation-first trauma resuscitation approach, including vascular access and airway management
- Outline damage control resuscitation and triage to CT, OR, or IR

**Target Audience:** This interprofessional activity is designed for physicians and nurses involved in the care of trauma patients. We also invite allied health professionals to attend.

**Format:** Didactic presentation with Q&A session

**Accreditation:** In support of improving patient care, Texas Health Resources is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

JOINTLY ACCREDITED PROVIDER™  
INTERPROFESSIONAL CONTINUING EDUCATION

Texas Health Resources is an approved CE provider for EMS Providers (DSHS Program Approval Number: 600827) through the Texas Department of State Health Services.

**Designation of Credit:**

**Physicians:** The Texas Health Resources designates this live activity for a maximum of 1 *AMA PRA Category 1 Credit*™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

**Nurses:** 1 contact hour will be provided for nursing

**EMS Providers:** 1 CE credit will be provided.
