Join virtually on Microsoft Teams – [Click here](#) or scan QR code to the right

**Objectives:** Upon completion of this activity, the participants should be able to:

- Describe the pathophysiology of vasoplegic syndrome following cardiopulmonary bypass
- Identify risk factors and diagnostic features of vasoplegic syndrome
- Compare and contrast different pharmacologic strategies based on available evidence
- Apply evidence-based approaches to a patient specific case

**Target Audience:** This activity is designed for pharmacists, physicians, and nurses. We also invite physician assistants and other members of the healthcare team.

**Accreditation:** In support of improving patient care, Texas Health Resources is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

**Designation of Credit:**

*Pharmacists:* Texas Health Resources designates this knowledge-based activity for 1 ACPE credit.

*Physicians:* The Texas Health Resources designates this live activity for a maximum of 1 *AMA PRA Category 1 Credit*<sup>™</sup>. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

*Nurses:* Texas Health Resources designates this activity for 1 contact hour.

**Format:** Didactic presentation with Q&A session
