## Rachel L. Leon, M.D.

*Assistant Professor of Pediatrics and Associate Director of the Neuro-NICU Program  
Division of Neonatal-Perinatal Medicine  
UT Southwestern Medical Center | Children's Health Dallas – Dallas Texas*

## “A New Lens on Heart Babies: Prenatal Clues and Postnatal Protection”

### Objectives:

- Recognize the importance of the prenatal environment, including the placenta, in developmental brain vulnerability for fetuses with congenital heart disease.
- Describe a practical and collaborative prenatal-to-postnatal screening approach for extracardiac anomalies in heart babies, and how to communicate the results and limitations.
- Identify high yield neuromonitoring tools for neonates with congenital heart disease.

**Target Audience:** This interprofessional activity is designed for physicians and nurses. We also invite all others who care for neonates to attend.

**Format:** Didactic lecture with question-and-answer session

### Accreditation:

In support of improving patient care, Texas Health Resources is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

### Designation of Credit:

**Physicians:** The Texas Health Resources designates this live activity for a maximum of 1 *AMA PRA Category 1 Credit*<sup>™</sup>. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

**Nurses:** Texas Health Resources designates this activity for 1 contact hour.

**Additional Information:** Visit our webpage at <https://ce.texashealth.org> or email [THRJA@TexasHealth.org](mailto:THRJA@TexasHealth.org)
