

Education & Learning Council Series 2026

“Dermatology Pearls for the Hospitalist”

Wednesday, April 22, 2026, 4 p.m.– 5 p.m.

Presenter:

Christina Hopkins, M.D., FAAD

Dermatologist
Epiphany Dermatology
Fort Worth, Texas

Location: Join virtually on Microsoft Teams – [Click here](#) or scan QR code to the right

Objectives: Upon completion of this activity, the participants should be able to:

- State the most common dermatological conditions that bring patients to the emergency department.
- Discuss treatment for the various dermatological conditions.
- Describe the pathophysiology and clinical progression of Stevens–Johnson syndrome (SJS) and toxic epidermal necrolysis (TEN)
- Collaboratively analyze clinical case studies of dermatological emergencies to identify high-risk features, underlying pathophysiologic mechanisms, disease severity, and urgent management priorities

Target Audience: This interprofessional activity is designed for physicians and nurses/advanced practice nurses. We also invite physician assistants and all others.

Accreditation:

In support of improving patient care, Texas Health Resources is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Designation of Credit:

Physicians: The Texas Health Resources designates this live activity for a maximum of 1 *AMA PRA Category 1 Credit™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Nurses: Texas Health Resources designates this activity for 1 contact hour.

Format: Didactic presentation with case presentation and Q&A session
