---

**Objectives:** Upon completion of this activity, the participants should be able to:

- Define the spectrum of plasma cell disorders including monoclonal gammopathy of undetermined significance (MGUS), smoldering, and multiple myeloma
- Interpret serum protein electrophoresis (SPEP) and serum free light chain assays
- Recognize when to suspect multiple myeloma and initiate appropriate diagnostic evaluation
- Discuss basic treatment strategies including transplant and cellular therapy

**Target Audience:** This activity is designed for physicians. We also invite nurses to attend the conference.

**Format:** Didactic presentation with Q&A session

**Accreditation:** In support of improving patient care, Texas Health Resources is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

JOINTLY ACCREDITED PROVIDER™  
INTERPROFESSIONAL CONTINUING EDUCATION

**Designation of Credit:**

**Physicians:** The Texas Health Resources designates this live activity for a maximum of 1 *AMA PRA Category 1 Credit*™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

**Nurses:** 1 contact hour will be provided for nursing
