Location: Join virtually on Microsoft Teams – [Click here](#) or scan QR code to the right

Objectives: Upon completion of this activity, the participants should be able to:

- Appreciate the opportunities for identification of human trafficking victims in the hospital setting.
- Learn interviewing strategies that will increase the likelihood that a human trafficking victim will feel comfortable enough to disclose and seek treatment.
- Recognize the importance of collaboration between healthcare professionals and law enforcement in the identification and treatment of human trafficking victims.

Target Audience: This activity is designed for nurses and physicians. We also welcome social workers and other professionals who may encounter patients affected by human trafficking.

Accreditation:

In support of improving patient care, Texas Health Resources is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.
