**Objectives:** Upon completion of this activity, the participants should be able to:

- Explain how interprofessional team members contribute to health transformation initiatives and collaborate to improve patient outcomes and system performance
- Examine the current opportunities within care delivery, operations, and administration
- Describe the industry’s best practices and their application across healthcare settings
- Evaluate the role of AI in healthcare and distinguish evidence-based applications from common misconceptions

**Target Audience:** This interprofessional activity is designed for psychiatrists and licensed psychotherapists. We also invite psychologists, nurses, occupational/physical/recreational therapists, mental health technicians, clergy, administrators, EMS and other professionals working with behavioral health patients to attend.

**Format:** Didactic presentation with Q&A session

**Accreditation:** In support of improving patient care, Texas Health Resources is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

This program complies with the continuing education statutes and rules of the Texas Behavioral Health Executive Council.

Texas Health Resources is an approved CE provider for EMS Providers (DSHS Program Approval Number: 600827) through the Texas Department of State Health Services.

**Designation of Credit:**

**Physicians:** The Texas Health Resources designates this live activity for a maximum of 1 *AMA PRA Category 1 Credit™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

**Nurses:** 1 contact hour will be provided for nursing
