Join from your phone — Dial 682-273-0674

Conference ID: 505 853 368#

In Person: Fogelson Auditorium

Objectives: Upon completion of this activity, the participants should be able to:

- Describe how interprofessional team members collaborate to recognize and manage endothelial dysfunction in hemorrhagic shock
- Describe endothelial dysfunction
- Discuss novel areas for intervention of pathology related to hemorrhagic shock
- Appraise relevant animal and human model studies related to novel therapeutics
- Discuss avenues for research for augmentation of resuscitation with targeted therapeutics

Target Audience: This interprofessional activity is designed for physicians and nurses involved in the care of trauma patients. We also invite allied health professionals to attend.

Format: Didactic presentation with Q&A session

Accreditation: In support of improving patient care, Texas Health Resources is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

JOINTLY ACCREDITED PROVIDER™
INTERPROFESSIONAL CONTINUING EDUCATION

Texas Health Resources is an approved CE provider for EMS Providers (DSHS Program Approval Number: 600827) through the Texas Department of State Health Services.

Designation of Credit:

Physicians: The Texas Health Resources designates this live activity for a maximum of 1 *AMA PRA Category 1 Credit*™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Nurses: 1 contact hour will be provided for nursing

EMS Providers: 1 CE credit will be provided.
