

Interprofessional Continuing Education

THR Inpatient Glycemic Management Case Series

Friday, July 24, 2026, Noon – 1 p.m.

Facilitator:

Marconi Abreu, M.D.

Endocrinologist

Medical Director Parkland General Endocrinology Clinic

Associate Professor Department of Internal Medicine

UT Southwestern Medical Center

Dallas, Texas

Location: Join virtually on Microsoft Teams – [Click here](#) or scan QR code to the right

Objectives: Upon completion of this activity, the participants should be able to:

- Apply evidence-based strategies to prevent and manage inpatient hyperglycemia and hypoglycemia across diverse clinical scenarios, including variable nutrition status, steroid use, and acute illness.
- Implement glycemic management protocols to reduce glycemic variability and minimize the risk of both hyperglycemia-related complications and hypoglycemia-associated harm.
- Collaborate effectively across the interprofessional healthcare team to coordinate glucose monitoring, insulin administration, nutrition delivery, and timely communication during changes in patient status that affect glycemic control.
- Recognize and mitigate system- and workflow-related contributors to dysglycemia to improve patient safety and glycemic outcomes

Target Audience: This interprofessional activity is designed for physicians, nurses, and pharmacists. We also invite physician assistants and all others to attend.

Accreditation:

In support of improving patient care, Texas Health Resources is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Designation of Credit:

Physicians: The Texas Health Resources designates this live activity for a maximum of 1 *AMA PRA Category 1 Credit™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Nurses: Texas Health Resources designates this activity for 1 contact hour.

Pharmacists: Texas Health Resources designates this knowledge-based activity for 1 CPE credit.

Format: Case presentations and Q&A session
