Conference ID: 132 383 125#

Objectives: Upon completion of this activity, the participants should be able to:

- Review current advances in hip and knee replacement technology and their impact on patient outcomes
- Discuss patient optimization strategies, including nutrition, weight management, and perioperative medical optimization
- Describe modern recovery pathways that improve function while minimizing pain and opioid use
- Review emerging innovations in arthroplasty, including robotics, patient-specific recovery metrics, and the evolving evidence surrounding biologic therapies and peptides.

Target Audience: This activity is designed for physicians. We also invite nurses to attend the conference.

Format: Didactic presentation with Q&A session

Accreditation: In support of improving patient care, Texas Health Resources is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Designation of Credit:

Physicians: The Texas Health Resources designates this live activity for a maximum of 1 *AMA PRA Category 1 Credit*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Nurses: 1 contact hour will be provided for nursing
