Join from your phone — Dial 682-273-0674

Conference ID: 178 393 942#

In Person: Haggard Hall

Lunch provided in-person

Objectives: Upon completion of this activity, the participants should be able to:

- Explain why healthcare has become an information-work problem
- Define essential AI terminology in plain language
- Apply structured prompts and clinician-led AI workflows to evidence, documentation, and education
- Evaluate AI tools for safety, evidence, privacy, and institutional compliance
- Describe a responsible vision for AI-supported surgical care through 2040
- Explain how interprofessional teams can implement and monitor AI with shared accountability

Target Audience: This interprofessional activity is designed for physicians and nurses involved in the care of trauma patients. We also invite allied health professionals to attend.

Format: Didactic presentation with Q&A session

Accreditation: In support of improving patient care, Texas Health Resources is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

JOINTLY ACCREDITED PROVIDER™
INTERPROFESSIONAL CONTINUING EDUCATION

Texas Health Resources is an approved CE provider for EMS Providers (DSHS Program Approval Number: 600827) through the Texas Department of State Health Services.

Designation of Credit:

Physicians: The Texas Health Resources designates this live activity for a maximum of 1 AMA PRA Category 1 Credit™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Nurses: 1 contact hour will be provided for nursing

EMS Providers: 1 CE credit will be provided.
